

## Macon Aero Modelers Membership Application

To apply for membership, get this form to Club Treasurer: Jim Dowdle  
use snail: 359 Fulcher Vista Drive, Franklin, NC 28734  
or email: [jdowdlejr@gmail.com](mailto:jdowdlejr@gmail.com) (preferred, and faster!)

**Note:** If you have this pdf form electronically: open, fill in, save, verify, and attach to email.

Welcome to the **Macon Aero Modelers, Inc.** The club dues you pay are used to pay the operating costs of the club. As a **MAM** member you are expected to participate in other club related activities such as field maintenance, work days, fund raising, meetings, and all other non-flying activities as much as possible.

**Club dues are \$100/year for adults.** For new members only, dues are prorated to only **\$50 after July 1**, for the remainder of that year. Dues are payable 1 January each year. We have a **Youth Membership** category with dues of \$15/year; this parallels the AMA Youth membership until a youth reaches 19 years of age. Youth members must be supervised at the field by an adult. All new members are subject to a thirty day probationary period before becoming a regular member. If the application is denied through action by the Board of Directors, you will be notified and your dues will be refunded. Dues may be sent to [macon aeromodelers@yahoo.com](mailto:macon aeromodelers@yahoo.com), please add 3.5% Paypal fee.

**MAM** procedures are outlined in the Club **Constitution and Bylaws** and the **Field Safety Regulations**. These procedures are designed for the safety and enjoyment of the R/C sport for all members, spectators, and field neighbors. The intentional breaking of these rules will not be tolerated and could result in a monetary fine, loss of flying privileges for a specified period of time, or expulsion from the club. Members are expected to display the highest levels of good sportsmanship.

**By signing below** the applicant is stating that **he/she has read and understands** the above and has received a copy of the **Constitution and Bylaws** and the **Field Safety Regulations** and has read and understands the rules and regulations as specified in these documents of the **Macon Aero Modelers, Inc.** pertaining to operating radio controlled aircraft at OTX Field and will abide by these rules and regulations.
